BOUNDARIES DON'T HAVE TO BE BARRIERS // About the Task Force

The South Hampton Roads Regional Task Force to End Homelessness is a collaboration between the Cities of Chesapeake, Franklin, Norfolk, Portsmouth, Suffolk and Virginia Beach; Isle of Wight County; The Planning Council and United Way of South Hampton Roads. Formed in 2005, the task force is the "working group" that implements the regional activities approved by the Mayors and Chairs of the localities in South Hampton Roads. It consists of staff participants from a variety of offices in the localities, all dedicated to getting regional projects accomplished.

Through the task force, these localities and organizations address homelessness on a regional basis in addition to each locality's individual efforts. As a result of their regional cooperation, they have achieved major successes in raising awareness, building new housing units, leveraging funding and expanding access to existing housing. The South Hampton Roads Regional Task Force to End Homelessness achieves results together that could not have been achieved separately.
